Universidad Nacional de Quilmes –
2020– In progress

Tecnicatura en Producción Digital

Universidad Nacional de Quilmes
2023– In progress

TOOLS AND SKILLS

- Strategic Communication: Scriptwriting, journalistic writing, and creative writing.
- Content Production: Audiovisual editing (Premiere Pro, CapCut, Sony Vegas, After Effects basic).
- Digital Tools: Google Workspace, Notion, Canva, AI-assisted prototyping (Claude, Copilot, VS Code).
- Languages: Spanish (native), English B2, Italian B2.
- Soft Skills: Clear communicator, adaptable, organized, collaborative.

PROFESSIONAL EXPERIENCE

C5N – Bien de Sábado / Bien de Domingo

Production Assistant and Co-Host & Journalist

- Co-hosted live weekend news programs covering current affairs, weather, and public service updates with a social and cultural approach.
- Collaborated on scriptwriting, topic selection, and live coordination with columnists and audience interaction.
- Gained experience adapting messages to diverse audiences in a high-pressure, live broadcast environment.

Crónica TV - Canal de la música

Panelist and Interviewer

- Conducted on-site interviews with artists and cultural figures, both in studio and at live events.
- Covered cultural events as a field reporter, producing live reports and written summaries.
- Participated actively in on-air panel discussions, analyzing and debating topics related to culture and entertainment

Hablemos de Cómo Nos Hablan

Content Creator

- Developed and led a social media project analyzing language, media, and political discourse through audiovisual content.
- Managed full-cycle production: research, scriptwriting, filming, editing, and publishing.
- Built an engaged community through consistent storytelling across platforms.

Open to remote opportunities in content creation, journalism, and communication — bringing a Latin American perspective to international projects.
